Auction Sets Record

The Owensboro Sportscenter was hopping last Saturday night! A sellout crowd was present for WFC's annual benefit dinner and auction, and their generous enthusiasm for the Campus led to over \$102,000 being raised for WFC's services. The surprise of the evening came during the "fund an item" event when long time supporter Mrs. Ann Kincheloe offered up a gift sufficient to finish the Sensory Park playground. Deena Ashley and Ron Graul emceed.

Lance House to Open At 1:00 p.m. on Saturday, Oct. 3, as part of the annual Wendell Foster's Campus Family Day celebration, there will be a blessing and dedication ceremony of "The Lance House." This new addition to Wendell Foster's

Campus will become a hospitality house where visiting families can enjoy the relaxation and privacy of a home while they spend time with their loved ones. The house is named for Ms. Nancy Lance, a long term volunteer, former employee and resident parent, whose generous bequest to WFC made the house possible. When not being used by families, the home will be available for WFC meetings and events. If you would like to assist in the furnishing of the house contact Support Group President PK Humphrey.

New SCL Home Planned

Requests for Proposals to design and build a new WFC Supports for Community Living Home were mailed to potential contractors on Sept. 14. Based on needs of individuals already served by WFC as well others in the community, the WFC board approved the new construction with a planned opening date of no later than March 1, 2010. The contract will be awarded in early October.

30 Years of Service

Three Wendell Foster's Campus employees recently completed 30 years of service to the organization. The service of Janice Shemwell, Jim Miles and Anna Miller is exceeded only by Laurendy Crowe, who has been at WFC since 1976. Congratulations and many-thanks to these dedicated employees!

Gala Family Day Planned for Sat., October 3

Family Day is always a fun time at WFC, and this year will have some added features. The day will begin at 10:00 a.m. with the annual meeting of the WFC Support Group, a volunteer organization composed of families and friends of WFC service recipients. Featured at the meeting will be a Campus Update from CEO Terry Brownson and the kickoff of the group's annual pecan sales, the proceeds from which benefit several WFC programs. The rest of the day's festivities begin immediately following the meeting. For the first time, we will be able to hold several events in our almost completed Sensory Park. Beginning with a free picnic at about 11:30, there will be games for children of all ages and abilities (corn hole anyone?), a cake walk in the gathering area in front of the Young Meeting House, a silent auction, live entertainment and other fun events. Also featured will be a dedication and blessing of the Lance House (see article above.) Plan now to join all of the WFC family for this fun day!
